### Heat Safety Tips

- Stay hydrated throughout the day by drinking water steadily; don't wait until you're thirsty.
- Avoid caffeine and alcohol which cause us to lose water more rapidly.
- Take frequent breaks in the shade or indoors in an air-conditioned space.
- Wear loose fitting, lightly colored and lightweight clothes.
- Check on friends and neighbors.
- Minimize use of heat-generating appliances like stoves or ovens.
- Do not exercise outdoors. If you must exercise outdoors, only exercise in the early morning hours, before 8 a.m.
- Take cool showers or baths to cool down.
- Check the local news and other outlets for important safety information.

### THOMASTON SUMMER ENRICHMENT PROGRAM 2019 10:00 a.m. – 2:00 p.m. M-TH LUNCH 11:00-12:00 SNACK 1:00-2:00

Welcome to the 2019 THA Summer Your Enrichment Experience!

We look forward to the opportunity to work with your children over the summer in addition to providing them with a healthy lunch and snack; and summer activities. We are in hope that this year's summer experience will assist in the development life skills, communication skills, manners and plain fun for our children!

The SEFP and Summer Food Program are free for the residents of the Community. We are looking forward to a fun summer, however, "GOOD BEHAVIOR AND MANNERS IS A MUST." Children misbehaving and disrespect WILL NOT be tolerated on any level. Children that misbehave in the summer program will be given two times to correct their behavior; on the third time they will be sent home (NO EXCEPTIONS). They can only return to get their lunch, but not participate in the daily activities.

Please work with us to ensure that our summer program is enjoyable and successful. We are off to a great start! If you would like to volunteer or need to fulfill community service hours, please contact Ms. Tonia.
